

# AUROMIRA CENTRE

*(The Relics Centre of Sri Aurobindo and The Mother)*

## November/December 2017

*"Think a little, it is not an easy path, you will need time, you will need patience. You will need much endurance, much perseverance and courage and an untiring goodwill. Look and see if you are capable of having all this, and then start. But once you have started, it is finished, there is no going back any more.... you must go to the very end."*
